

eTrackr Update February 2024

The main changes in the new update can be found in the **Courses** section.

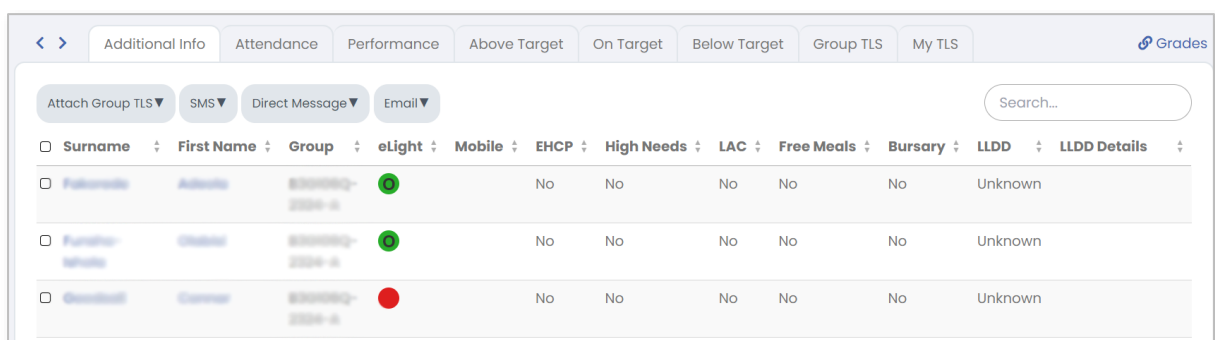

You now have a **My Courses** and an **All Courses** tab. The latter shows all enrolled courses at college, the former just the ones you have been assigned.

If you scroll across, you can see snapshot detail of the course, i.e. number of groups, learners, performance, attendance etc. These areas are hyperlinked. Click the **Learner number** to see more.

Groups	Learners	Perf.	Above	On	Below	Att.	4-wk Att.
2	26	29%	0% (0)	0% (0)	3% (1)	90%	82%

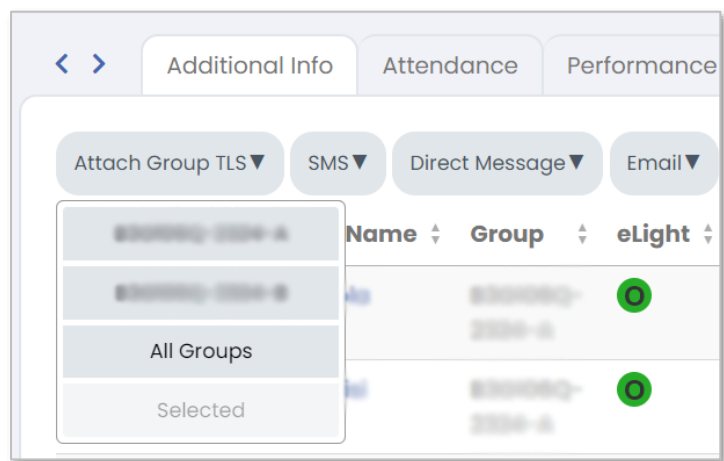

You now have a sequence of tabs. **Additional info** gives details that you would otherwise see in the ILP, such as EHCP, Bursary or declared LLDD. **Attendance** gives the usual breakdown of attendance.

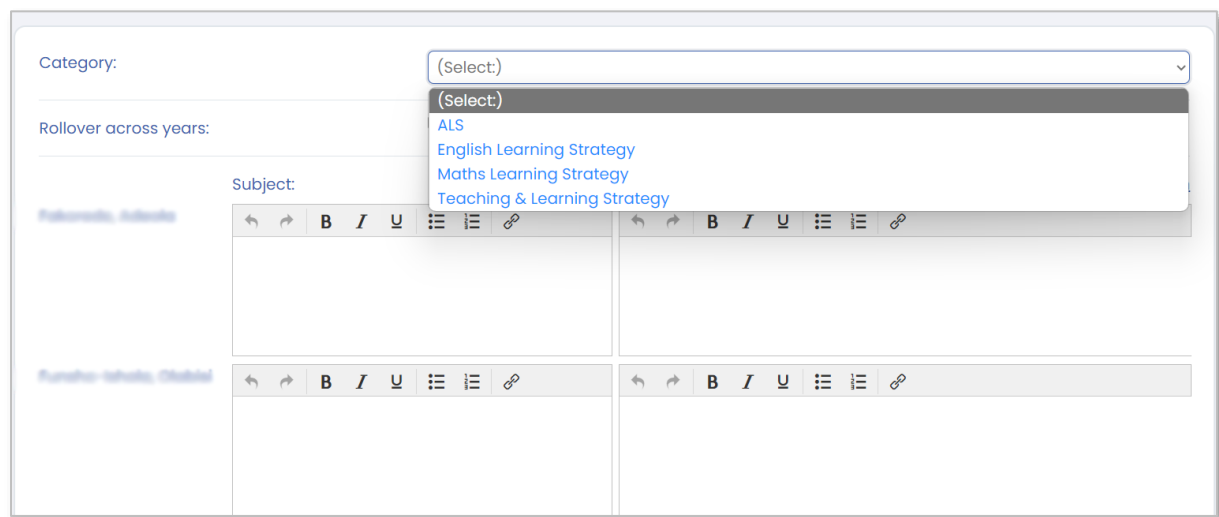

To the right you have 2 tabs that detail **Teaching and Learning Strategies**, either those set by yourself or those set by other lecturers for the group.

You can now write those **Teaching and Learning Strategies** in this area. To the left, click **Attach Group TLS** and choose the group you want (if there is more than one).

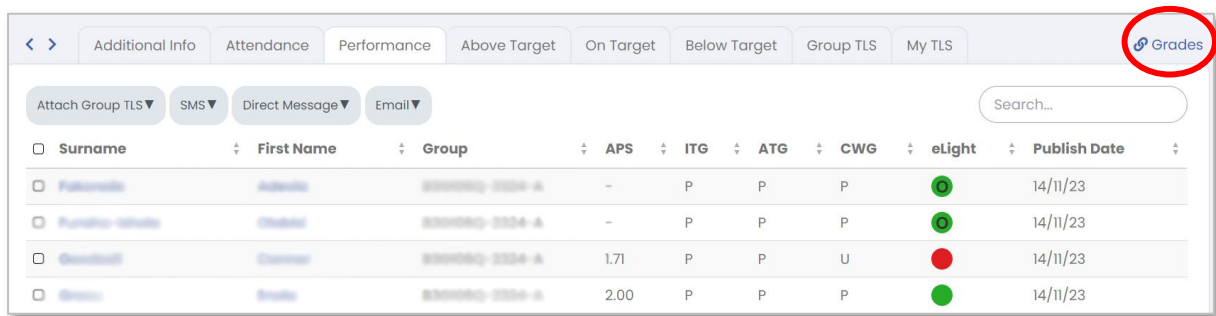

Choose the **type of strategy** then type out for each student. Before, you could have only done this in the 'blue note' area of each ILP. You now have all the students in one place to achieve the same thing. Save when finished. The TLS notes are then viewable as above in **Group TLS** and **My TLS**.

The **target tabs** will show which students are above, on, or below target.

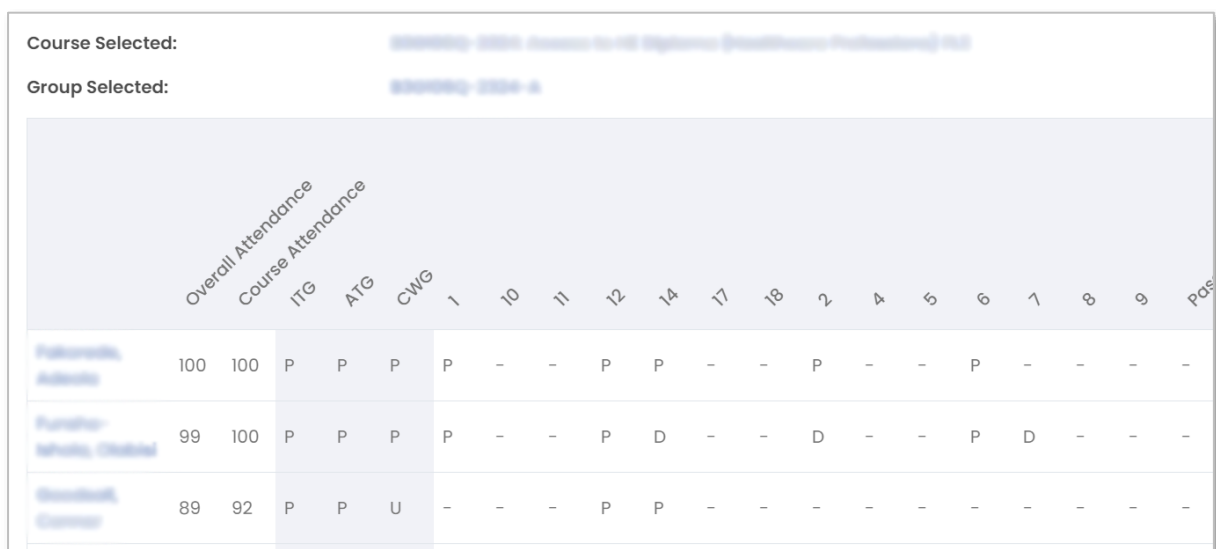

The **Performance** tab shows detail on things like the ITG, ATG, CWG, eLight and published review date for each student. At the top right, there is a link to **Grades**.

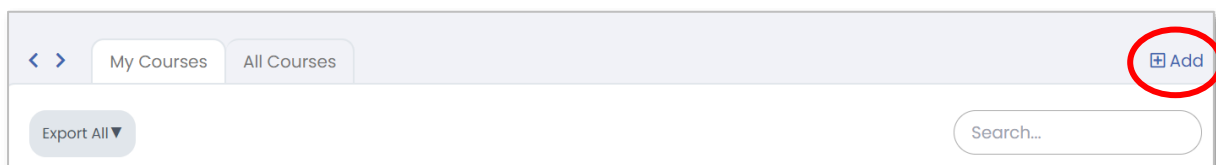

<input type="checkbox"/>	Surname	First Name	Group	APS	ITG	ATG	CWG	eLight	Publish Date
<input type="checkbox"/>	Falkowski	Adrian	330006Q-2024-A	-	P	P	P	●	14/11/23
<input type="checkbox"/>	Funkhouser	Chadler	330006Q-2024-A	-	P	P	P	●	14/11/23
<input type="checkbox"/>	Goodall	Connor	330006Q-2024-A	1.71	P	P	U	●	14/11/23
<input type="checkbox"/>	Grice	Emily	330006Q-2024-A	2.00	P	P	P	●	14/11/23

The **Grades** area, also accessible if you click the group name, shows a breakdown of unit results and some of the above mentioned categories.

	Overall Attendance	Course Attendance	ITG	ATG	CWG	1	10	11	12	14	17	18	2	4	5	6	7	8	9	Pos
Falkowski, Adrian	100	100	P	P	P	P	-	-	P	P	-	-	P	-	-	P	-	-	-	-
Funkhouser, Chadler	99	100	P	P	P	P	-	-	P	D	-	-	D	-	-	P	D	-	-	-
Goodall, Connor	89	92	P	P	U	-	-	-	P	P	-	-	-	-	-	-	-	-	-	-

In addition to the **My Courses** and **All Courses** tabs, you can also create more for yourself, simply click **+Add**.

Once the new tab options have appeared, make some choices as to what you would like to include, i.e. information that you look at on a regular basis. Once you have added the tab, it will stay in place and allow you to look at that information without the need for more searching and filtering. For example, you could create a tab with information on those with an attendance above or below a certain level. Once you have added the filter(s) as below, you can also sort the tab so that the info appears in a particular order. Once you have made your choices, **save** to finish and add the new item.

Previously when you created a **group of students**, you had to add a filter for each additional student. Now, you can choose the 'is one of' option and add the ID numbers one after the one, separated by a comma, as indicated below. This is particularly useful for ALS staff who want to group their students.

Columns:

<input checked="" type="checkbox"/> Student ID	<input checked="" type="checkbox"/> Surname
<input checked="" type="checkbox"/> First Name	<input type="checkbox"/> Email

Finally, if you previously filtered this area for students on a certain **disciplinary level**, you had to add the level manually in a box to the right. Now, when you select the disciplinary filter and choose the = condition, you get a list of the college levels to choose from.

The image shows a user interface for filtering data. At the top, there are two dropdown menus: the first contains the text 'Disciplinary' and the second contains an equals sign '='. Below these is a search bar with the placeholder text 'Search...'. A dropdown menu is open below the search bar, displaying a list of options: 'Not on disciplinary measures', 'Level 1', 'Level 2', 'Level 1 + 2', and 'Level 2'. A red trash icon is located to the right of the search bar.
